Department of Power

Office of the Chief Electrical Engineer

Notification

No. 120/2/CEE/TECH/1850

Whereas M/s. Marmagao Steel Ltd. a Mini Steel Plant, registered under the Companies Act, 1956 having its

office at Curtorim, (hereinafter called the said company), has been declared a "sick industrial company" by Board for Industrial and Financial Reconstruction (BIFR) in terms of section 3(1)(o) of the Sick Industrial Companies (Special Provisions) Act, 1985 (Central Act 1 of 1986).

And whereas M/s. Industrial Finance Corporation of India Ltd. (IFCI) has been appointed as the Operating Agency to formulate a revival scheme and submit the same to Board for Industrial and Financial Reconstruction.

And whereas the Industrial Finance Corporation of India Ltd. has accordingly been working on revival and rehabilitation scheme for the said company which inter alia includes the request for concessional supply of power upto the year 2005 and waiver of demand charges upto the year 2005, from the Government of Goa;

And whereas the said request for concessional tariff has been considered by the Government for the revival of the said company in the larger public interest keeping in view the social and economic problems that can be caused by the possible closure of the unit of the said company if these concessions are not granted;

And whereas it has been decided that the concessional tariff structure would apply to the said company upto the year 2005 or for 5 years from the date of publication of this notification in the Official Gazette, whichever is earlier.

Now, therefore, in exercise of the power conferred by clause (c) of sub-section (3) of section 23 read with section 51 A of the Indian Electricity Act, 1910 (Central Act 9 of 1910), the Government of Goa is hereby pleased to approve the charge applicable to M/s. Marmagao Steel Ltd., an EHTI/industrial consumer, situated at Curtorim, for energy supplied to it, by the following method, namely:—

The tariff structure consists of the following components, such as, pooled cost on bulk power

purchase per unit purchased from National Thermal Power Corporation plus Reliance Salgaoncar Power Company Limited operation and maintenance charges, establishment charges and interest payment on loan and depreciation. Over and above this, a 3% return is added to arrive the selling price per unit to the said company. According to the above tariff structure, the rate per unit shall be worked out on year to year basis and billed to the said company. The tariff shall however, not be fixed at less than that for the current year (i.e. 270 paise per KWH) during the entire pendency of the concessional tariff period of 5 years.

Based on the above, the concessional tariff fixed during this year shall be as below:-

Tariff(KWH)/month.....ps/unit (KWH)

All the Energy consumption during the month 270

Note:- (a) Lighting upto 10% of the monthly energy consumption is allowed under EHTI tariff, for bonafide factory lighting purpose.
